

Hello!

Now that you have finished your formal training with Disney, Universal, VAX, and VCRM, there are some final agency only things for you to be aware of that will help you be successful as you begin building your business.

The videos linked here are super casual, but an effective way for me to communicate tips for selling, yearly growth and success in this industry that I have learned, mostly through trial and error, over the years. You will want to watch them in order.

- Intro to Pixie training
- Part 2- The booking process
- Insurance
- EM benefit and working with a boutique agency
- Goals
- Grab bag of last minute things

As always, please reach out to me with any questions, for clarification, or if I can help you in anyway. When you have completed these, send me an email so that I can add you to the private Pixie Training facebook group.

I am so excited to have you join our team!

-Janelle
